# HP Integrity Champion

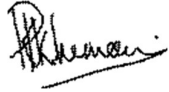

Dear Rakesh,

Heartiest congratulations on your exceptional win at Plastibends Ltd.

Your effort in helping HP win is commendable given that this is a prestigious SAP win on Integrity servers fought against stiff competition. You have successfully showcased very good account management and understanding of the competitive environment to ensure high mindshare for HP Integrity Servers.

You are an HP Integrity Champion and we look forward to many more such heartening wins from you in the near future across the HP ESSN portfolio.

Wishing you the very best.
